

Timothy Michael Hunt

August 4, 1974

April 26, 2014

Timmy was born on a beautiful early morning the 4th of August, 1974. His glowing red hair immediately told us he was special.

Tim began pre-school at an early age and as we were to learn throughout his life, he always did things his way. He came home that first day with a black eye.

Through the years Tim's main goal was to always keep up with his older brother Chris, He wanted to be just like him, inheriting the love of all sports, especially baseball.

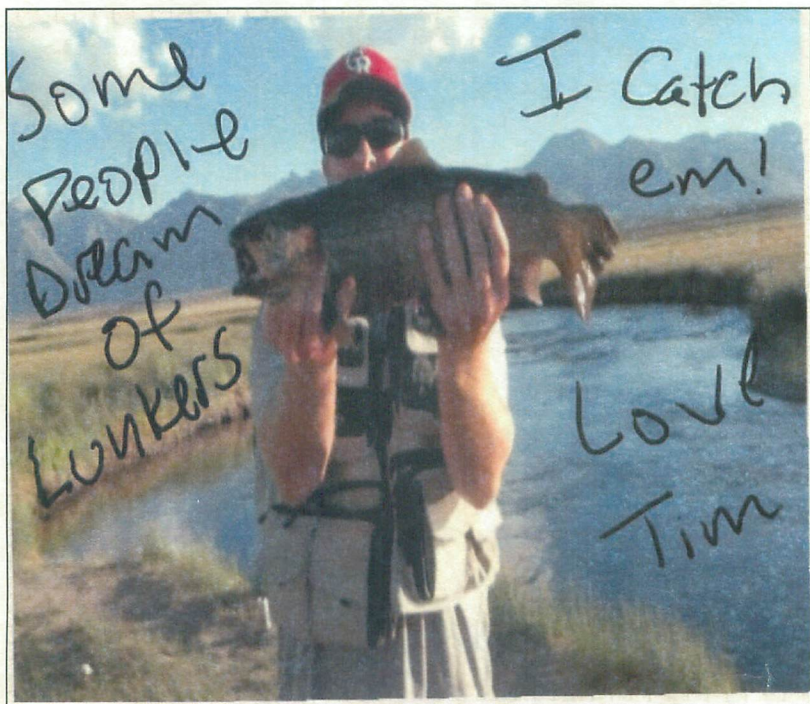

Tim played "B" ball at Orange Lutheran High School, Fullerton Junior College, and Briar Cliff College. He continued to play and live out his dream by playing three seasons of independent professional baseball before turning his attention to fast-pitch softball. Tim was a member of Team USA in 2007, playing on a team that finished second at the World Cup of Softball.

Then, there's Tim's other passion...fishing in the Sierra's. If ever there was a 'fish whisperer', it was him.

Tim's love of people and sports lead him to his professional career as a Physical Education teacher and to his future wife.

Tim loved life and lived it to the fullest. He will truly be missed by all who knew him.

Timothy is survived by his wife Anjanett Hunt, Grandmother Thelma Hunt, parents Bob and Connie Hunt, brother and sister-in-law Chris and Michelle Hunt, aunt Pam Dale and nephews, nieces and so many wonderful friends.

*Think of me as the Sierra snows melt and the Owens
River runs high. Look closely into the waters and
you'll see me smiling back.*

*Mourn for me a moment,
but rejoice me forever
This is not goodbye, it is the moment of birth and I
am free to fly.*

*Please don't be unhappy
Because I am just out of sight
I will always be with you
Morning, noon and night.*
