CONTACTS for Craig Waterhouse 027 4422935

Email Craig@ISA.co.nz www.ISA.co.nz

1. Management

Management and coaching staff

- Head Coach: Rob Siolo – Rob coached the Samoan National Team at the World Series in 2013 and in the qualifying series last year. He has coached numerous Wellington and Hutt Valley provincial teams, and is currently Head Coach of Johnsonville men's team in the Wellington competition.
- Assistant Coach: Fred Redhead – long standing coach from Alberta, Fred was Assistant Coach of the Canadian U19 team at the last Junior World Series. He also coached the ISA New Zealand U21 team that attended the U21 International Tournament in Saskatoon in 2013, finishing second. Fred will join us in Vancouver
- Assistant Coach/Trainer: Te Rangi Chadwick is player coach of the Vikings team that plays in the Wellington Intercity Competition and also of the Fastpitch Club side in the Hawkes Bay competition. A former New Zealand Junior Black Sox team member, Te Rangi is on his way to play the offseason in Ontario, and will join us for the LA and Santa Barbara leg
- Scorer/Manager Diane Waterhouse – Diane has been the manager, scorer and chaperone of many ISA teams. Parents' appreciate the significant increase in communication when Diane is on tours. The updating of photos and results on facebook is continual. She has started using Game changer to score games and updates the game action online also. A comment from the recent tour was. "Thanks for all the updates it was as close as we could get to being their"
- Manager: Craig Waterhouse - Having managed and coached numerous ISA teams in both Canada and Australia, Craig is well skilled to ensure the boys are supervised and controlled. Craig is in charge, with Diane of the tour and all matters off the diamond and outside of training. A former Softball NZ Board member and Softballer of the Year, he is a well experienced softball administrator

2. Overview

The squad will arrive in Los Angeles for 8 days of training including visits to Disneyland, Los Angeles Angels Baseball game, a Los Angeles Dodgers Baseball game and other activity. These costs are all included in the tour price.

Fleetwood Fastpitch Association, Surrey, Vancouver will be hosting their annual U18 Boys Softball Tournament on the 12th, 13th 14th June 2015, Fleetwood Park, located at 15890 80 Ave, Surrey, British Columbia, Canada. In the USA we will be staying in accommodation that is a 10 minutes walk to Disneyland. In Vancouver we will be staying with Canadian families.

Aim of the program:

- The promotion of the sport of Softball and the development of softball Players.
- To promote the development of Youth Softball Players
- To promote a friendly exchange and understanding among softball players from different countries and regions as a cultural experience.

Our objectives in working to achieve these aims are:

- To ensure every team member is a better softball player, as a result of their experience throughout the tour
- To play as a team
- To respect each other, the game of softball, and the 'New Zealand' jersey
- To enjoy the experience
- To be the best offensive and defensive team in all games played
- Win all games played

The International Softball Academy (ISA) has sought out the most respected and accomplished group of instructors and coaches in the New Zealand to lead the teams. The ISA organizers are themselves experienced coaches and senior softball administrators being current or former Softball New Zealand board members, they share the passion for the sport of softball, and are using their knowledge, experience and international contacts to add to the experiences of the players. They never lose sight of the fact, however, that great softball players are created one at a time. Who says getting better can't be fun too? At the International Softball Academy tours, you meet other young athletes who share your love of softball. On and off the field, you'll take home experiences you will remember forever. **You'll get better!** Totally immerse you in the sport, giving you the kind of focused, intensive training essential for improvement – no matter what your ability level. Your performance as an overall player will improve, along with your self-confidence!

Transport

Prime Shuttle from the Airport and Budget Rental vans when required. We have hired a tour coach to take us touring on the way to the airport for travel on the last day in Vancouver. We will also have a small car for emergencies and meal shopping in Vancouver

Entertainment and shopping

Softball is the reason for the trip, but we want the boys to have an experience. Our experience in the past is boys and girls are shoppers, and we have lined shopping experiences in the program. The program may change depending on timings and the player choices. All entertainment cost are included in the tour fee.

Uniforms & Gear

Provide their own;

- black socks,
- Boys must provide black trousers (not Trackpants or jeans) & Black shoes to travel in with dress top supplied
- Optional RED Belt for Knickers
- Batting Helmet and a bat if needed
(catchers need to take their own catchers gear)

We provide; (you keep)

- 1 x Tournament playing shirts – BLACK with name on the back – These will be supplied in Los Angeles
- 1 x GREEN – playing shirt – yes the wrong colour
- 1 x Black shorts for training – note these can double as togs
- 1 x Warm Up Jacket
- 1 x Training shirt – with your number – this doubles as a 2nd/3rd top
- 1 x Travel Dress Top
- 1 x white & Black NZ silver fern cap
- 1 x Hoodie
- 1 x travel bag – can also be used as gear bag
- 1 x Black knickers
- 1 x Singlet

[NOTE Your flight travel attire is Black dress top, black trousers, black shoes. Black socks and silver fern cap](#)

3. Players Rules & Code of Conduct

Medical Conditions

Please advise us if you have any medicine that you require, and also of any medical issues.

ALSO

- If you have been taking medication for an injury or health issue in the last month you should take this with you. If you get a recurrence while away you need to have easy access to this medication. PLEASE PLEASE do this as 2 many players are coming away who get a recurrence of a problem or run out of the medication. COME prepared.
- Personal tape, ice packs and treatment. We will have all this available, but you need to ensure you look after yourself. You know what normally happens to you at tournaments and what injuries you incur. So make sure you are also prepared and bring your own tape etc. DO not come away expecting old injuries to be strapped and tell me you did not bring strapping tape. BUT we will have some.

It is suggested that you purchase some across the counter sleeping tablets if you have any concerns about sleep. It helps with the time change.

By sending your child on this tour you are authorizing the ISA management to treat any medical injury to their best endeavours. You are confirming it is acceptable for ISA management to be the authorized person in issuing instructions or confirming treatment to medical officers. We will issue players with sleeping tablets, pain tablets, or other medication if deemed necessary unless you withdraw this authorization. PLEASE ensure you advise us of any medication the player is currently receiving. **Travel Insurance is not included in the cost, and is your responsibility to take and claim.**

Reminder for parents and players

In receiving this information everyone is aware of the following in relation to discipline on tour and consequences which could follow if any player were to bring the team into disrepute.

Any major breach of discipline will result in your child being removed from the tour and sent home on the earliest flight available. Before that decision is made we may contact Softball New Zealand to ensure they are happy with the processes we have gone through. Should the consequence be removal from the tour and we have informed you of this at that point you will be given the choice if you wish to fly over and collect your child. You will be responsible for any cost for change of flights. Any other costs involved in disruption to the tour from your child's ill-discipline will incur extra costs to yourselves. Please inform your child of the seriousness and the consequence. We would be surprised if any boy lets us down but major breaches of alcohol, drugs, defiance of management is something they need to be aware will not be tolerated. If a player is sent home we would more than likely be recommending to Softball New Zealand that he or she be suspended from all softball. We have previously sent a player from a tour for unacceptable conduct.

In the unfortunate circumstances of a major injury, illness or death occurring while on tour the decision to continue with the tour will lie with team management. It is important that we all have an understanding that huge amounts of people's money have been spent on the trip and this decision must lie with us. In saying that if at any time during the trip you have every right to pull your child from the trip for any reason. Realising that changes of plans often incur extra costs at your expense.

We will endeavour at all times to have your child well cared for and in a safe environment and make clear the expectations so that the trip is a success and will be an enjoyable experience for all.

NOTE: The tour cost does not cover travel insurance, the two best options are either Southern Cross or 1cover.

DUTY ROSTERS

Players are allocated duties. We have allocated them a duty on a particular day.

PLAYER CODE OF CONDUCT

At all times you are representing the country on and off the diamond, so the way you conduct yourself is very important

- Bad language or bullies will not be tolerated
- When on the Diamond the on diamond coaches are in charge, and deserve your respect, please give them the courtesy of listening to them and not ignoring their instructions
- Uniforms must be kept clean and tidily worn, as they should be.
- Any behaviour that management or coaching staff deem to be unacceptable will be dealt with.
- If we find that it is severe you will be SENT HOME at your OWN or PARENTS expense immediately. Management has the final say on this.
- Management will determine all rules.
- We have NO tolerance policy on alcohol, smoking, drugs and substances. I would hope at this level no one will cross the line.
- All medication that you are on must be disclosed to the Management of the team.
- No leaving of the park, accommodation or team without the express permission of the team Manager or delegated management person.
- While we are away we will not allow any players to get a TATOO or have any ear piercings – this is just 2 risky for flying even if you have parental consent.

By attending the Tour you are accepting that you will adhere to the Management rules and instructions. If you feel you cannot do this, please advise us now.

Other Information

The rules are clear, PLEASE discuss the rules. Stealing and shop lifting are not acceptable forms of behavior. It does not feel right having to communicate this BUT over the years we have experienced a number of incidents where players have stolen from shops, markets and off team mates. This is just not acceptable.

The rules of where we stay must also be obeyed – no throwing of balls at any time, no game activity in the roadways/ car parks. Respect the other people we live with.

We reserve the right to inspect individual bags if we become concerned about any issues that maybe addressed more conclusively through an inspection.

Injury on field

First Aid will be carried with us at all times and administered by one nominated person. From there with serious cases professional advice sought with a hospital. Treatment is expensive in the states and we recommend you take travel insurance. Any cost associated with an injury is your cost. On our last tour to LA with a girls team we had two visits to hospital, and a cost in excess of \$7,000

Expectations in City and Theme Parks

Staying in groups will be required. The players are required to stay in groups of a minimum of 3 at all times. Record Craig's contact number somewhere so if you get lost so you can contact management. Texting will be best.

Expectations at the accommodation

- Follow the instructions set by the team management and the accommodation management.
- The swimming pool at the complex is no diving or jumping in pools. The complex management has live camera surveillance, so do not think you can get away with it if no one is around.
- NOTE you cannot leave the confines of the accommodation.
- No throwing of balls in complex
- Respect the other people staying at the complex
- It is likely we will collect cellphones in the evening to avoid excessive use.
- Do not enter other peoples' bedrooms without being invited.

- When you go to your rooms for sleep, that is what is planned, not hours of talking. We need you the following day.
- Sleeping in Anaheim will have some of the boys sharing Queen Beds.

Eat well and plenty, sleep well and get plenty of sleep.

SLEEPING

All sleeping requirements are provided. For the first few nights, you may find it difficult to get to sleep, as your body clock will still be adjusted to New Zealand time. If your parents are concerned u may request some mild sleeping pills from your family doctor for the first few nights. PLEASE advise management. We will also have sleeping tablets and may issue if sleeping is of concern for an individual.

LAUNDRY

Laundry duties are being allocated to players in Anaheim. BUT u need to ensure your clothes are marked if you wish to have them washed with the general washing. PLUS we are all care BUT no responsibility. Pack plenty of underwear. Make sure everything it is clean prior to leaving New Zealand. IT is so important you ensure cloths are dry, as we leave early in the morning we need our uniforms. WASH uniforms first.

TRAVEL INSURANCE

Doctors and hospitals are expensive, we recommend you take travel insurance for medical or cancellation of ticket for health reasons, or loss of luggage or cash it is your decision if you wish to take this insurance cover. We suggest you take this well in advance of travel, as if you have a medical problem and cannot travel you will be able to make a claim. If you do take insurance, check out what excesses that apply. www.1cover.co.nz seems to be the best value. NOTE Dental has limited cover, as we discovered in the United States one year after a \$8K cost.

IMPORTANT ADVICE WHEN FLYING

In order to comply with all Civil Aviation Authority security regulations, it is mandatory that no customer carries knives, razors, scissors or cutting instruments, sharp objects of any description or composition, knitting needles, softball bats, softballs, nail files or novelty items such as toy guns or weapons into the cabin of any domestic or international aircraft. You are advised that if such items are required, they are to be packed into checked baggage. They are NOT to be carried in cabin baggage or on their person under any circumstances. If you are found carrying any implements as described above during airport security checks you will be required to surrender them. Regrettably such items cannot be returned.

Needles and syringes are exempt from the above if the customer also has in their possession medication that has a professionally printed label identifying the medication or a manufactures name or pharmaceutical label. IF in doubt pack in check in baggage, do not take on the plane.

Departure Tax:

Your New Zealand Departure Tax has been prepaid and is included in your air ticket.

Baggage Allowances:

You can take food onto the flight BUT you cannot take any unconsumed food off the flight. – BUT you cannot take fluids through customs.

Air New Zealand/Virgin International & Domestic

Economy Class (1 Bag): 23kgs free one bag allowance per person.

Carry on luggage (1 bag): 7kgs we have provided u with a carry on bag.

Passports:

Please ensure your passport is current and in excellent condition. **Any form of damage renders the passport invalid.** Please check for dog-ears, any plastic lifting on the photo page, water damage etc. DOUBLE CHECK your ticket that it is the same name as your passport. Craig has a scanned copy of your passport.

Travel Information:

- Once we begin our flights to US you will be responsible for your passport at all times. When we get to the accommodation hand your passport to Diane. When u have it in hand, look after it with your life otherwise your life over there will suddenly become a lot more complicated. We had a player last year leave it on a food counter.
- At the airports if you are not sure of what you need to fill in **ASK** management. Keep your life simple. NOTE where we are staying on the entry documentation into US.

- Also act sensibly at all times as customs staff can hold you on suspicion and this will cause us all great delay and ruin the trip. Customs officer can be very officious and will not tolerate any smart comments or rudeness
- It is likely that a large number of the players will have their playing shoes checked by customs.
- You must be responsible for your gear at all times and know that only you packed your gear. Do not let others pack your gear and do not offer to carry anything for anyone else unless management has asked you to do so. Do not let your gear out of your possession or sight
- In theory you will travel with;
 1. **ONE** only checked bag - (THIS IS TO BE CHECKED IN) – only one bag - maximum weight 23kg
 2. Your carry on travel bag – this is the bag supplied by ISA as part of your kit for players. (THIS is a carryon bag and should be under 7 kg, and should include playing gear & glove)
 3. We also suggest you buy a belt bag that can be secured around your waist and under your clothing rather than a wallet as the trip can be ruined if you lose your money etc.
 4. NOTE most New Zealand EFTPOS cards work in US money machines, and normally carry a \$3.50 fee for cash withdrawal fee, alternatively get and Air New Zealand Smart card or a Bank equivalent so you can load money.

Reminder: On flights keep your life simple by being aware of before you go what items are allowed and not allowed on the planes, i.e. sharp instruments, liquids, spray deodorant are all banned.

Boots/Cleats:

You are allowed metal cleats at this Tournament.

Make sure your shoes are cleaned of all grass etc in New Zealand. These must be declared on entry to US, Canada and New Zealand. Customs may take them off you, and not return them if they deem you to have dirt or grass on the sporting shoes.

Personal medication. A note with your medication should explain administration in case of an emergency. Once again be aware of what is considered a dangerous item that will be taken off you before you board by customs, Medicines Toiletries including deodorant, shaving gear etc.,

I am aware that Vodafone & Spark phones work in US and Canada, but the rates are really expensive. Get viber or Whats app installed on your cellphone and the phone of who you want to call back in New Zealand. The accommodation has free wifi, but it is bound to be slow, so texting will be your best option in the States. In Canada, hopefully your hosts will allow you access to their household internet. Make sure your cell phone connected to International Service if needed. Be careful, costs to New Zealand cellphone are expensive as well as any data use. You can sign up to the one of the international plans available from your local supplier or get a sim card in in US, but this is not simple like NZ and Aussie. The Vodafone \$5 a day plan using your NZ Plan works in Canada and the States, this may be a good option.

4. Flight Travel Arrangements

Flight Travel

Make sure you label your bag clearly and have a system of easy identification for your bag like a coloured tape around the handle or similar so it is easily identifiable when it comes off the plane and in the airport for collecting. It is your decision on whether you wish to have a small lock on your bag. Some tourists are now using colour coded electrical cable ties for their suitcases to identify if their bag has been opened due to the only way to get into a bag with a cable tie is by cutting it. It is your decision if you wish to pursue something similar.

NOTE: It is recommended that you take your playing uniform in your carryon luggage including playing socks and glove – NOT cleats plus a change of clothing - just in case your airline misplaces your checked luggage.

Booked ex Auckland

Huw Davies, Raiden Shepherd, Jacob Zurher, Di Waterhouse, Craig Waterhouse and Will Macdonald and Jordan Tahana, Te Rangi Chadwick.

Wednesday 3rd June 2015 AUCKLAND to LOS ANGELES

5. Duties & Food

In our Los Angeles accommodation is split into a two queen size beds in main room and a bunk room. Each unit has its own TV, air-conditioning, a fridge, coffee making facilities, breakfast every day is provided in the dining area, you should also take some fruit for snacking during the day from the breakfast bar. Lunch every day will be a selection of chicken, ham etc with rolls, and dinner will be around the pool. In the theme parks & Dodgers game food is your own responsibility. But if we will have plenty in the van or back on the accommodation if you wish to return, check if Craig and Diane and they will come with you.

Laundry - In Los Angeles - allocated players will be do a laundry wash and dry make sure any clothes you wish to have washed are named. You can do your own washing if you wish. In Vancouver you should arrange washing with your host.

In Santa Barbara we will play in a different set of tops on the Saturday than the Sunday, similarly so in Vancouver. Dinners in LA will always be served in the BBQ/Pool area if fine.

NOTE dispose of any food you take on the plane DO not take it into to USA or Canada or vice versa on the way home, if caught you will be fined.

Duty Roster & Rooming					
	Duty				
Unit 1			Unit 2		
Huw Davies	Dinner	3rd June Wednesday	Will Macdonald	Laundry	4th June Thursday
Connor Flynn	LUNCH	5th June Friday	Raiden Shepherd	Laundry	4th June Thursday
Papa Mutu	LUNCH	4th June Thursday	Jack Nehoff-Bates	LUNCH	11th June Thursday
Josh Kelly	Dinner	4th June Thursday	Riley Power	Laundry	7th June Sunday
Rob Siolo			Jacob Zurcher	LUNCH	7th June Sunday
Unit 3			Unit 4		
Hunter Martin	LUNCH	10th June Wednesday	Di Waterhouse		
Gavin Peattie	Dinner	10th June Wednesday	Craig Waterhouse		
Jordan Tahana	LUNCH	13th June Saturday	Scott Macdonald	Dinner	6th June Saturday
Nixon Kim	Laundry	10th June Wednesday	Louis Clarke	Laundry	10th June Wednesday
Te Rangi Chadwick					

Details of what is covered by duties

Dinner

Set up dinner and tidy up after
Do surplus dishes
AND Rubbish removal

LUNCH

Help get lunch ready at accommodation & Carry Lunch in to Van - blue chilly & drinks container, and drinks
Set up lunch at lunch time unpack and pack, carry from Van etc and back and to Craig & Diane unit when we get back to units

Laundry

Put laundry into washing machine & Dryer
Get coins from Craig and take to Laundry
either at night or first thing in morning

Communications and updates

Over the years we have tried to increase the communication updates while on tour. Diane has started scoring using game changer on the ipad. She will be scoring most games live providing we have internet access.

ISA also have a FaceBook account "New Zealand ISA" so we suggest you add as friend, as any photos Diane gets a chance to upload they will be on this site

We will try to livestream the games on both Game Changer, being the live scoring and our YouTube account, being live video of the games. ***ISA New Zealand Facebook is the best place for direction to the links on this.***

Player cellphone needs.. Make sure your New Zealand phones are unlocked.

We are unsure of the availability of internet in US and Canada. But we suggest those with smartphone download viber, which allow toll calls over the net, but the speed of the internet may be an issue. BUT also sign up to Whats app, which Diane and I use for texting. Facebook messenger and Skype can also be used for messaging. Purchasing sim card in US is not as easy as NZ or Australia and more expensive.

6. Detail Activity Plans

Tuesday 2nd June 2015

Rob Silo flies to Christchurch ex Wellington NZ357 Departing 6.45pm, arriving 7.30pm staying Airport Birches Motel, 390 Yaldhurst Road, Avonhead, Christchurch Freephone (NZ only): 0508 342 333 Phone: +64 3 342 3338.
