The rain finally caught up to us as an early morning rain forced postponement of a number of games. The hard work of the grounds crew did get the diamonds ready, as games at BVI started 12:30 and games at Gordie Howe and hour later. The picture below shows a bit of the work that was done getting Glenn Reeve 4 ready to play for the U18's.

History was made today at 12:30 and 7:30 with the **first ever U14 Boy's Canadian Softball Championship game** played between Ontario 1 Innerkip and Saskatchewan 3 Wadena and Opening Ceremonies.

There were a lot of challenges in setting up a makeup plan for the U18's as there is only one more day of preliminary round play, but with the team's cooperation things did get figured out
